Match Report 4th XI Saturday 19 March 2016

Result: Harpenden 1, Welwyn 1

Tim sent me 61 photos of this game – and I think most of us were featured so I'll try and include everyone – here goes…

Team talk

Last game of the season and yet again we were a bit slow off the mark and Harpenden scored an early goal.

It might have been 2-0 down had not Asif (for the second time this season) stopped an aerial ball on the goal line at about waist height (Tim didn't get a photo of this – not sure why!)

After this, Welwyn started to settle down a bit and we forced a few short corners and not long before half time Adam scored his fourth goal of the season to bring the scores level. Harpenden were always dangerous but Dan W had a superb game in defence making some key tackles and interceptions and it was for this reason that Cass kept him on the pitch throughout the game.

Dan clears away from defence

Asif passes the ball to Adam and (below) Roger closes the angle on the on-coming attacker.

Patrick clears the ball up the right wing

and then ……..

Cass, Rob, Dan S and Luke take on the Harpenden defence.

Prinz (making his first appearance this season) and Henry run out to defend a short corner with Patrick and Chris on the posts.

Cass ignores Max's shouts for the ball (perhaps because he knows Max has not paid last week's match fee!)….

Adam keeps a Harpenden player at bay.

In the last few minutes of this game, Harpenden attacked strongly but Welwyn defended well to earn our first draw of the season which we thoroughly deserved.

Henry gains a vital free hit towards the end of the game

Team this week was Cass, Patrick, Chris,
Henry, Roger, Asif, Adam, Prinz, Eric, Dan W, Dan S, Luke, Max, Terry, Rob.
